BUCHU IS A STIMULANT, and of itself may full to effect a cure, but Buchu, when scientifically combined with Bromide of Poinssium and other ingredients, produces a sedative effect, and causes a healthy ction thus increasing the powers of digestion, allaying irritation, reducing all un-natural swellings, stopping pain and inflam-mation, and causing the repairs and nutri-ments in the human body to be greater than the wastes, thus preventing decomposition and decay, and gives nourishment, health

and vigor to the system.

My Buchu is good for all diseases arising from excesses; such as Weakness, and Pain Grates, Tin, Copper and in the Back and Legs. Trembling in the reglon of the Heart. Weak Nerves, Pallid Countenance, Dryness of the Skin, Scrofula Syphilis, in its many forms, Ulcers, and

If your system is affected by any of the above symptoms and diseases, relief is at done to order, such as Guttering, Roofing, et. hand. Bet a botile of my Buchn and Bromide of Potassium at once and you may rely on being cured.

I know just what I say. My record as a Compounder of Medicine is second to no man in the Southwest. Twenty-five or thirty years ago, as my fellow-citizens know full well, found me be hind the prescription counter in the city in which I now dwell; I have cured more people of various diseases than all the physicians in Louisville put together. Undoubtedly, for every single patient that any Louisville physician has I have a hundred. I am no upstart of yesterday. My Medicines are a success-n great success. Louisville is not large enough for me to have a competitor. I monopolize the Wholesale Parent Medicine Trade here. One and another has tried, by copying after me here in louisville, to compete with me, but, one after another, their guns have been silenced,

and their efforts have been abortive. My Medicines are good and answer the purpose-that is the secret of my success. My reputation as a compounder of good, reliable articles is fully established. I believe my Buchu and Bromide of Potassium is the hest article now in the market for the cure of all diseases of the urinary or genito-unrinary organs, such as Noetur-nal Incontinence, Irritability of the Blad ler and Urethra, Inflammation of the Pelvis of the Kidney, and all that class of diseases. Buy a dollar bottle and be cured. Use as per directions in all cases.

He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fuil to cure, if the directions are strictly followed and earried ont. lu a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health.
It is however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, oct 12 this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cuthartic medicine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEG-ETBALE FAMILY PILLS will be sufficient.
